Dear Professor DeWitt:

I can't begin to tell you how much we all enjoyed your Punch and Judy shows last Sunday at our First Annual History Day in the Park event!

Each time I made my rounds of the Phillippi Park, your audiences got bigger and bigger, and more rapt! I am sure that the parents enjoyed your shows just as much as the enthralled children did.

I'm sorry that you will be out of town on March 14th. We all wanted you to make another appearance for us, at our Grand Opening of the Crocker Church and the Bidwell House that day.

Please keep us in mind for next Feb. when we plan to do an even better 2nd Annual HDitP event. We learned lots from this year's festivity and I'll plan to put you farther away from the musicians, so you'll not be competing with them next year!

Thanks again and have a great summer!

Sincerely,

Jane K-T
