To Whom It May Concern:

Professor "Brent DeWitt" has been performing at Sarasota Jungle Gardens every year, entertaining our children and adult guests since 1988. His classic "Punch and Judy" performance is one of the highlights that our guests come back to enjoy, year after year. He is a "tradition" every holiday season, here at Sarasota Jungle Gardens.

His demeanor and talent are delightful and he has made many friends with our staff and guests alike. His drawing is phenomenal, with little advertising he attracts large audiences and manages to keep every show (three daily) fresh and hilarious!

The "classic Punch and Judy" shows are rare for an area that is predominately tourism related. The version of Punch and Judy that Professor Brent DeWitt performs is very authentic and many of our visitors that come from Europe are delighted to see that this historical production has spanned the ocean for their "American cousins" to enjoy!

We will continue to keep Brent busy during our holidays and hope that he will be with us for many, many years to come.

If you wish to contact us about Professor Brent DeWitt, please feel free to call. We will be delighted to give you a verbal reference on this very talented and amazing man.

Sincerely,
